

ReLeaf, Inc.
Advocates for a
Greener Greenville NC!

ReLeaf was established in 1990 to plant, promote, and protect canopy trees. ReLeaf is a community-based, volunteer nonprofit organization.

Planting trees helps to reverse the effects of deforestation and global warming, combat climate change, and increase the positive appearance of public and common areas in Greenville, NC.

Since 1990, ReLeaf has planted and replaced thousands of trees and contributed hundreds of thousands of dollars to the beautification and re-greening of Greenville, NC. ReLeaf provides the funding for these projects and the City of Greenville, NC plants and maintains the trees. To learn more visit <https://releaf.us/>

ReLeaf sponsors an annual **Arbor Day** celebration enabling Greenville, NC to be designated as a **Tree City USA**.

You can help ReLeaf's planting fund grow. We welcome all donations. ReLeaf is a nonprofit 501(c)(3) organization who must have financial support from its community to keep planting trees!

Your contribution is tax-deductible, and you will receive an acknowledgement of the donation for tax purposes. For Federal tax purposes, ReLeaf's Employer Identification Number (EIN) is 56-2143112.

Planting Trees

Makes a World of Difference.

With your help ReLeaf can continue to plant, promote, and protect trees in Greenville, NC.
